

ISFAHAN

Tourist Places

▲ **Isfahan**, known as the city of marvel embraces the finest architectural masterpieces. It doesn't take much to walk from the round dome cathedral of **Vank** to the 400 years **Naghsh_E Jahan square**, where the king Abbas I used to watch the live polo matches from the porch of his palace but it does make lots of colorful memories.

▲ **The fine art of Isfahan** is not limited in architecture, but the **Khatam** which is delicate metalwork and the astonishing Vitreous enamel called **Minakari**, which are easily found in the historic Bazar. Walking in the historic Bazar of Isfahan is not recommended to people on diet at all, since lots of **Poolaki**, **Gaz** and other tasty sweets are waiting to seduce viators.
